Where there is a conflict between those rules and policies and any of the provisions of these Terms, the App Store's rules and policies will prevail and the conflicting provision of these Terms will fall away. For the avoidance of doubt, the remaining provisions of these Terms will remain in full force.

If you do not pay any relevant charge, you will not be able to use the App.
- 4.2 After you have paid for the App, but before you download it, you will have 14 days from payment to cancel your purchase of the App with the App Store and receive a refund of the charges paid. 15 Location requirements

- 15.1 Our App is directed to people residing in the United Kingdom only and is only intended for use in relation to the United Kingdom 999 service. If you attempt to use the App to send an alert outside the United Kingdom, it will not work and we accept no responsibility for a failure of the App to send an alert where the App is used outside of the United Kingdom.

18 Information on the App and the Website

- 18.1 TapSOS may contain information and content (for example blog posts), which is provided for general information only and is not intended to amount to advice on which you should rely. You must obtain professional or specialist advice before taking, or refraining from, any action on the basis of the content on TapSOS.
- 18.2 Although we make reasonable efforts to update the information and content on TapSOS, we make no representations, warranties or guarantees, whether express or implied, that the content on TapSOS is accurate, complete or up to date.

19 We are not responsible for third party websites

- 19.1 TapSOS may contain links to other independent websites and resources which are not provided by us. These links are provided for your information only. Such links should not be interpreted as approval by us of those linked websites or information you may obtain from them.
- 19.2 These independent sites are not under our control, and we are not responsible for and have not checked and approved their content or their privacy policies (if any). You will need to make your own independent judgement about whether to use any such independent sites.

20 We are not responsible for network or device issues or for the 999 service

- 20.1 When you use our App to contact the 999 service, we populate a text message with the information you have submitted for the alert (via our tap iconography), your personal details and medical information and we send this to BT call handlers, who in turn pass this on to the 999 service via mobile networks to enable them to handle the emergency situation.
- 20.2 Our App simply provides an alternative method of communication with the 999 service. We are not responsible for, and shall have no liability in respect of:
- 20.2.1 any device failure that affects the transmission of the alert;
 - 20.2.2 any drop in coverage or any mobile network issues or other acts or omissions of BT or any network provider;
 - 20.2.3 any failure by the 999 service to respond to, or any delay by them in responding to, the emergency situation or any other acts or omissions of the 999 service;
 - 20.2.4 any failure in an alert being sent as a result of a user failing to or being unable to complete an alert; or
 - 20.2.5 any attempt to use the App outside the United Kingdom.

21 We are not responsible for viruses

21.1 We do not guarantee that TapSOS will be secure or free from bugs or viruses. You are responsible for configuring your own devices to access TapSOS and you should use your own virus protection software.

22 Force majeure

22.1 We shall not be in breach of these Terms nor liable for any delay in performing, or failure to perform, any of our obligations under these Terms if such delay or failure results from events, circumstances or causes beyond our reasonable control.

23 Indemnification

23.1 You will be liable to us and our subsidiaries, affiliates, officers, agents and employees for any losses we incur as a result of any breach, by you, of these Terms. This includes without limitation, any damages we pay to a third party where that third party brings a claim against us as a result of your misuse of the app.

24 Our responsibility for loss or damage suffered by you

24.1 Subject to clause 24.2 below, our total liability to you in contract, tort (including negligence) breach of statutory duty or otherwise, arising under or in connection with these Terms, shall not exceed one hundred pounds (£100).

24.2 We do not exclude or limit in any way our liability to you where it would be unlawful to do so. This includes liability for death or personal injury caused by our negligence or the negligence of our employees, agents or subcontractors and for fraud or fraudulent misrepresentation.

24.3 We are only responsible to you for foreseeable loss and damage caused by us. If we fail to comply with these Terms, we are responsible for loss or damage you suffer that is a foreseeable result of our breaking this contract or our failing to use reasonable care and skill, but we are not responsible for any loss or damage that is not foreseeable. Loss or damage is foreseeable if either it is obvious that it will happen or if, at the time you agree to these Terms, both we and you knew it might happen.

24.4 We will not be liable to you for any loss or damage, whether in contract, tort (including negligence), breach of statutory duty, or otherwise, even if foreseeable, arising under or in connection with your use of, or inability to use, TapSOS or your use of or reliance on any content on TapSOS.

24.5 If defective digital content that we have supplied damages a device or digital content belonging to you, we will either repair the damage or pay you compensation, subject to clause 24.1. However, we will not be liable for damage that you could have avoided by following our advice to apply an update offered to you free of charge or for damage that was caused by you failing to correctly follow installation instructions or to have in place the minimum system requirements advised by us.

24.6 Please note that we only provide TapSOS for domestic and private use. You agree not to use TapSOS for any commercial or business purposes, and we have no liability to you for any loss of profit, loss of business, business interruption, or loss of business opportunity.

24.7 We recommend that you back up any content and data used in connection with TapSOS, to protect yourself in case of problems with TapSOS.

- 24.8 TapSOS has not been developed to meet your individual requirements. Please check that the facilities and functions of TapSOS (as described on the app store and/or our Website) meet your requirements.
- 24.9 If our provision of support for TapSOS is delayed by an event outside our control then we will contact you as soon as possible to let you know and we will take steps to minimise the effect of the delay. Provided we do this we will not be liable for delays caused by the event but if there is a risk of substantial delay you may contact us to end your contract with us.

25 General

25.1 Assignment and other dealings

25.1.1 You may only transfer your rights or your obligations under these Terms to another person if we agree in writing.

25.1.2 We may transfer our rights and obligations under these Terms to another organisation. We will always tell you in writing if this happens and we will ensure that the transfer will not affect your rights under the contract.

25.2 Waiver

Even if we delay in enforcing this contract, we can still enforce it later. If we do not insist immediately that you do anything you are required to do under these Terms, or if we delay in taking steps against you in respect of your breaking this contract, that will not mean that you do not have to do those things and it will not prevent us taking steps against you at a later date.

25.3 Severance

Each of the paragraphs of these Terms operates separately. If any court or relevant authority decides that any of them are unlawful, the remaining paragraphs will remain in full force and effect.

25.4 Entire Agreement

Except where otherwise provided in these Terms, these Terms constitute the entire agreement between you and us, and supersede and extinguish all previous agreements, promises, assurances, warranties, representations and undertakings between them, whether written or oral, relating to their subject matter.

25.5 Third party rights

This Agreement does not give rise to any rights under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Agreement.

25.6 Governing Laws and Jurisdiction

These Terms are governed by English law and you can bring legal proceedings in respect of them in the English courts. If you live in Scotland you can bring legal proceedings in respect of these Terms in either the Scottish or the English courts. If you live in Northern Ireland you can bring legal proceedings in respect of these Terms in either the Northern Irish or the English courts.
